14th Annual WIG OUT Gala

March 22, 2024

Embassy Suites Scottsdale

Check for a Lump is a local 501(c)(3) non-profit foundation I.R.S. 27-4626148. Our mission is to provide free breast health education, mammograms, testing, and direct assistance to breast cancer patients with new wigs, support and resources in Arizona.

The 14th Annual WIG OUT fundraising gala will take place Friday, March 22, 2024 at the Embassy Suites Scottsdale. We would love for you to be a part of our "Once Upon a Wig Out" themed event. This hair-raising night includes dinner, drinks, silent auctions, live auctions, and more. All guests are encouraged to dream big and bring out the magic by wearing a wig and costume!

Our event is an exciting and entertaining way to raise funds and awareness for a serious subject - breast cancer. Check for a Lump impacts women in our community every day through at least one of our free programs. From invaluable breast health and prevention education, to free lifesaving mammograms and diagnostic testing for those who are uninsured or underinsured, to free brand new wigs, and to survivors through our Super Survivors Unite events and our Super Survivor Kits.

"I moved to Phoenix in June and my insurance would not have kicked in until January. I felt lumps in my breast and didn't know where to go. I am so thankful I found the Check for a Lump free mammogram program. It is a really, really great service. Unfortunately, I found breast cancer. Had I waited until January it would have been a lot worse." - Jennifer

One of the most emotionally devastating aspects of treatment for some women is losing their hair. Insurance often does not cover the cost of a wig and many women can barely afford treatment, let alone a wig. Hear from one of our wig clients who needed us during her treatment:

"I've been fighting breast cancer for 3.5 years now. . . I thought I could handle not having hair, but it upsets my children. My youngest boy is 8 and he doesn't like for anyone to know that I have cancer. He was so upset when I shaved my head but I had to because the hair was falling out in handfuls. I have just been let go from my job, I have recently filed bankruptcy and am living with my in-laws, so finances are not at their best right now. It would mean so much to have the little things - like looking normal and feeling feminine (I've had a bilateral mastectomy with reconstruction and feel a bit like Frankenstein when it comes to body image)." - Erin

Through the generous donations from our supporters and sponsors Check for a Lump is able to sustain our vital programs including free breast health education, mammograms, wigs, and support! Please consider attending our 14th Annual WIG OUT to make a difference in the fight against breast cancer!
